Finding Saltmarsh

Saltmarsh Farmhouse sits among the Seven Sisters Country Park visitor-centre buildings at Exceat, on the A259 between Seaford and Eastbourne.

Park in the Seven Sisters car park. It is hidden in the trees: turn up the Litlington road and the entrance is about twenty yards along, on the right.

From the car park, walk across to the farmhouse among the visitor-centre buildings, go through the brick arch (pictured) into the Saltmarsh Café, and you will be shown through to the viewing rooms.

There is not much signal in the valley, so do save this before you set off. Saltmarsh has wifi once you arrive.

If you get lost, Tony is on 07880 601709.
